Hello Room 7 Families,

Here's the info for the Butterfly Parade which takes place on Saturday, October 4th. I will go over details with the kids (as it gets closer), however, I wanted to send home info ahead of time, for planning purposes.

This great event is a historical tradition in our wonderful *Last Hometown*.

Students need to be at school by 10:20am Saturday morning. We will meet on Pine Avenue in front of the school. We will be located across from the Kindergarten rooms near 13th street.

5th graders: Dress up as "Down's Clowns". Students can wear clown attire (brightly colored clothing, flashy ties, big shoes, pillows stuffed into clothes, baggy pants, large shirts, wigs, suspenders, face paint, etc. They may also bring candy to toss to the crowd during the parade.

Afterwards, we will meet for a quick class photo on the grass near the Kindergarten wing. Please meet us there (the classroom will not be open.)

Bring a camera! It's a lot of fun! =)

Any questions, please let me know. You do not need to purchase something special for this event (unless your child is going to wear it as a Halloween costume).
